

CultureWorx

The Culture Inspiration Package™

The Culture Inspiration Package™ by CultureWorx is our most streamlined Culture Performance Management™ (CPM™) solution. In four weeks, your organization will breathe life into your existing cultural vision while cultivating healthy team dynamics and relationships. In this package, you will:

- Select your culture value system
- Define the behavioral standards that align with your values
- Connect behavioral expectations to your leaders' daily practices
- Get a roadmap for the configuration of your CPM™ Software Enterprise-Access Program

[SEE PACKAGE DETAILS →](#)

Our Framework

Upon completion of The Culture Inspiration Package™, your organization will be equipped with the first three pillars of the CPM™ system, with access to optional post-implementation support.
